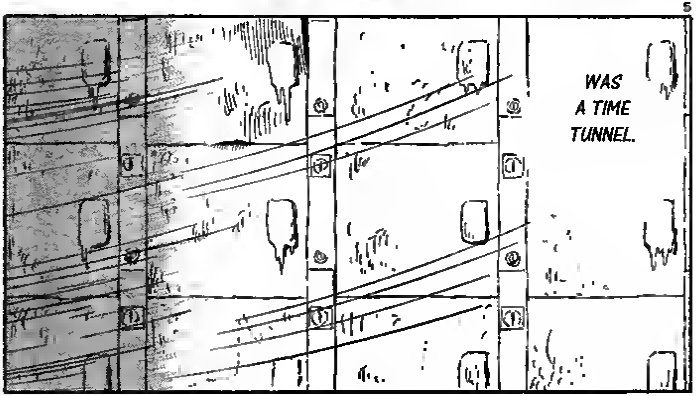
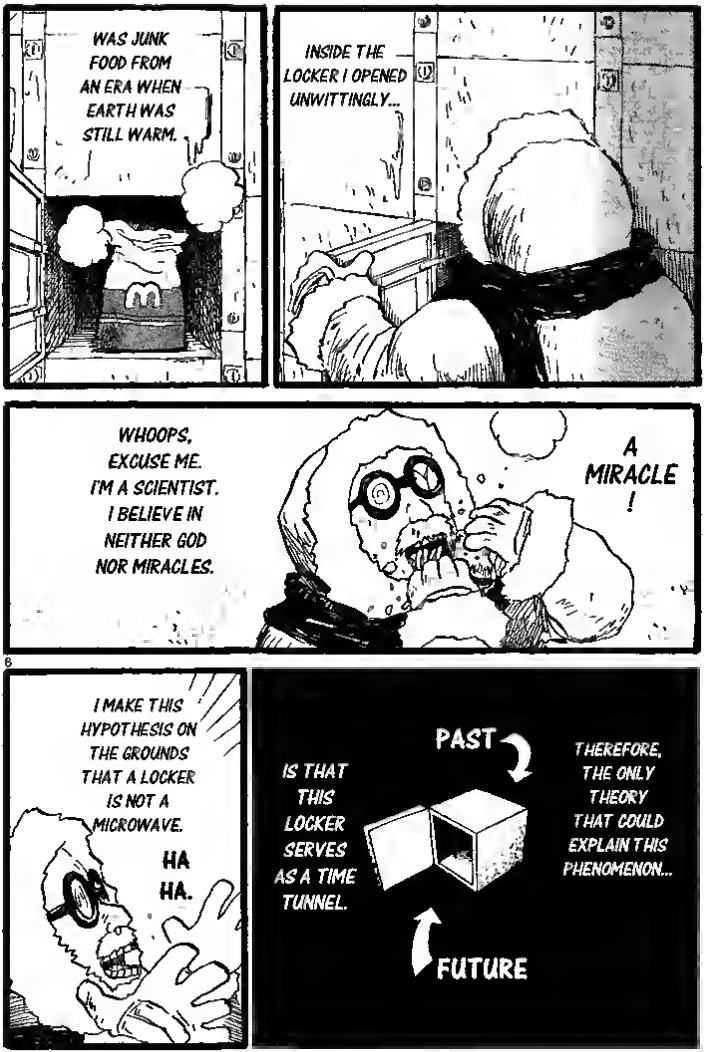
IT WAS ABOUT A MONTH AGO WHEN I DISCOVERED THAT LOCKER #13 AT THE SOUTH ENTRANCE OF SHINJUKU STATION...

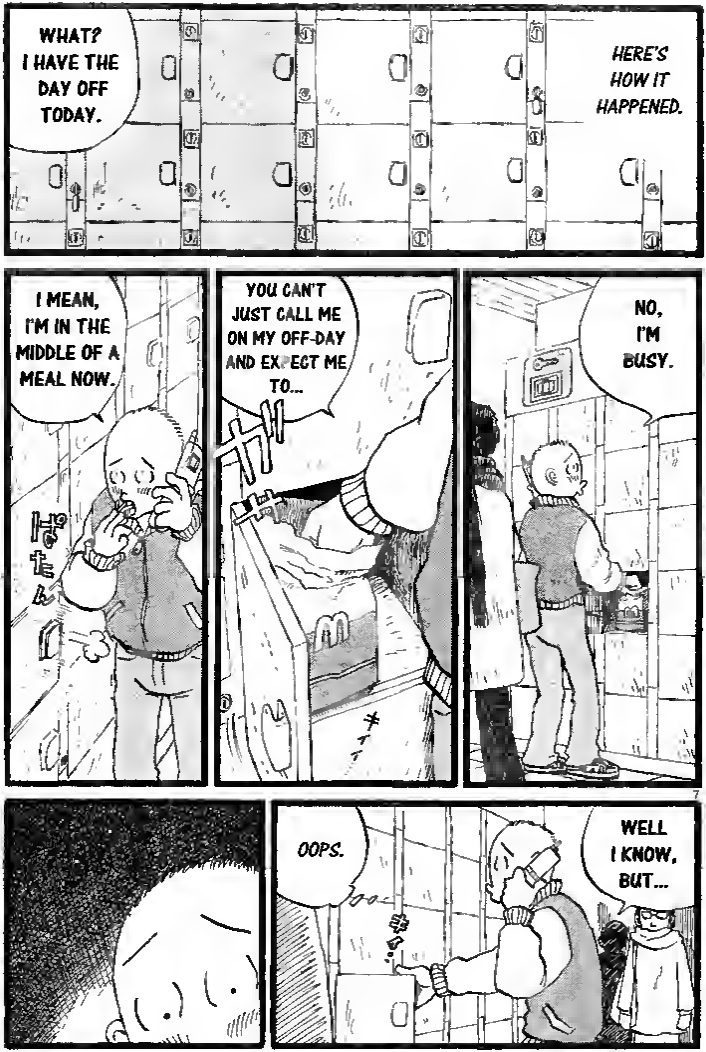
THE GLOBAL FREEZING ESCALA
OK TO SWIM NEAR PEARL?



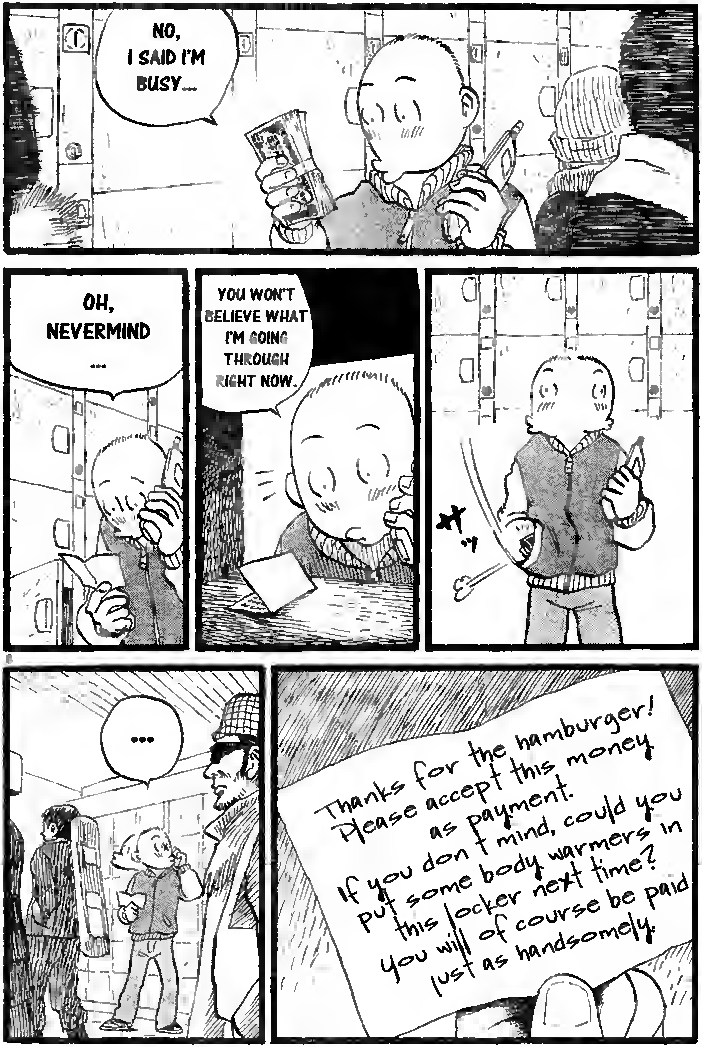
WAS A TIME TUNNEL.



WAS JUNK FOOD FROM AN ERA WHEN EARTH WAS STILL WARM.
INSIDE THE LOCKER I OPENED UNWITTINGLY...
WHOOPS, EXCUSE ME. I'M A SCIENTIST. I BELIEVE IN NEITHER GOD NOR MIRACLES.
A MIRACLE !
6
I MAKE THIS HYPOTHESIS ON THE GROUNDS THAT A LOCKER IS NOT A MICROWAVE.
HA HA.
IS THAT THIS LOCKER SERVES AS A TIME TUNNEL.
PAST
FUTURE
THEREFORE, THE ONLY THEORY THAT COULD EXPLAIN THIS PHENOMENON...



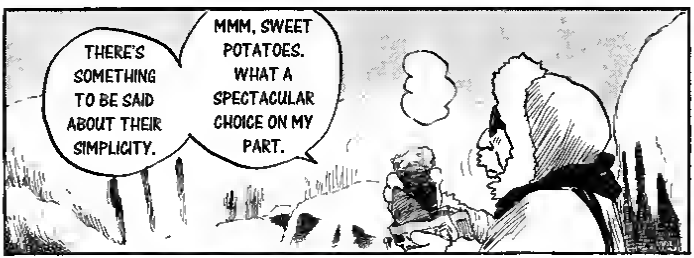
WHAT? I HAVE THE DAY OFF TODAY.
HERE'S HOW IT HAPPENED.
I MEAN, I'M IN THE MIDDLE OF A MEAL NOW.
YOU CAN'T JUST CALL ME ON MY OFF-DAY AND EXPECT ME TO...
NO, I'M BUSY.
7
OOPS.
WELL I KNOW, BUT...



NO, I SAID I'M BUSY...
OH, NEVERMIND ...
YOU WON'T BELIEVE WHAT I'M GOING THROUGH RIGHT NOW.
...
Thanks for the hamburger! Please accept this money as payment.
If you don't mind, could you put some body warmers in this locker next time? You will of course be paid just as handsomely.

I'M FED UP WITH WORKING FOR YOU.
YOU KNOW, I THINK I'LL QUIT.
IT WORKED !
AND THUS A TRADE AGREEMENT WAS ESTABLISHED, TRANSCENDING THE BARRIERS OF TIME ITSELF.
I'LL JUST SEND IT ALL TO THE PAST...
J銀行
MONEY HAS NO VALUE IN THIS WORLD.

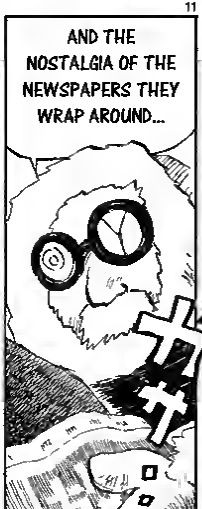
ONLY A BRILLIANT SCIENTIST LIKE MYSELF COULD COME UP WITH SUCH AN INGENIOUS SCHEME!
AND HAVE THAT GUY SEND ME GOOD FOOD IN EXCHANGE.
BRING ON THE DOM PERIGNON!
TWO INDIVIDUALS SEPARATED BY TIME...
WE'RE BROUGHT TOGETHER BY A SHARED COMMON INTEREST.
GREAT STUFF!
MMM, "TONMARO" PORK CHOPS.
GYAHA HAHA HAHA HAHA !!



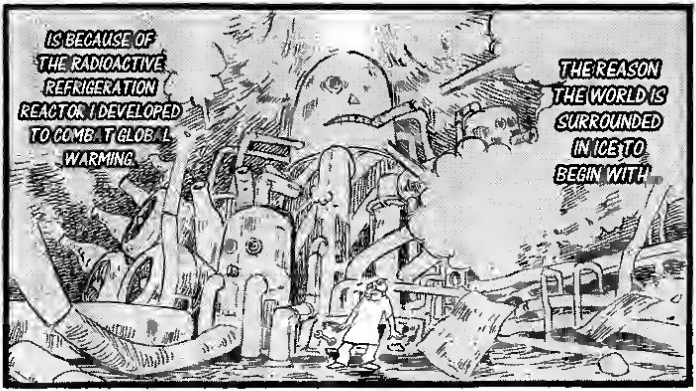
THERE'S SOMETHING TO BE SAID ABOUT THEIR SIMPLICITY.
MMM, SWEET POTATOES. WHAT A SPECTACULAR CHOICE ON MY PART.

HOW COULD I FORGET ?

THE FINAL SOLUTION TO GLOBAL WARMING

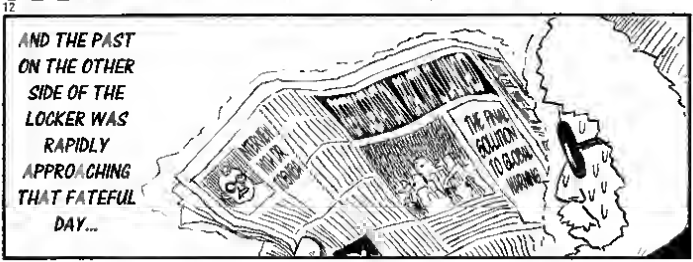


AND THE NOSTALGIA OF THE NEWSPAPERS THEY WRAP AROUND...



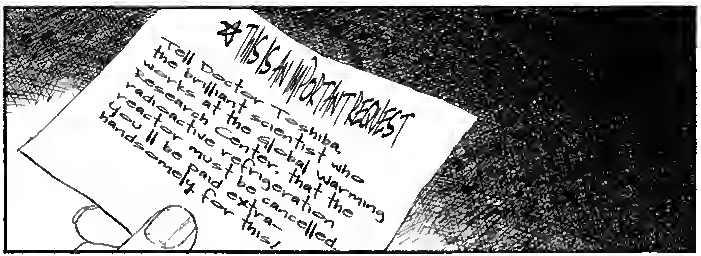
IS BECAUSE OF THE RADIOACTIVE REFRIGERATION REACTOR I DEVELOPED TO COMBAT GLOBAL WARMING.
THE REASON THE WORLD IS SURROUNDED IN ICE TO BEGIN WITH

THE PLANET WAS ENCAPSULATED IN ICE WITHIN A SPAN OF 3 DAYS. WHILE I DO DISLIKE HOT WEATHER, THIS WAS A BIT ON THE EXCESSIVE SIDE.
HOWEVER, THE REACTOR SEEMS TO HAVE WORKED TOO WELL.

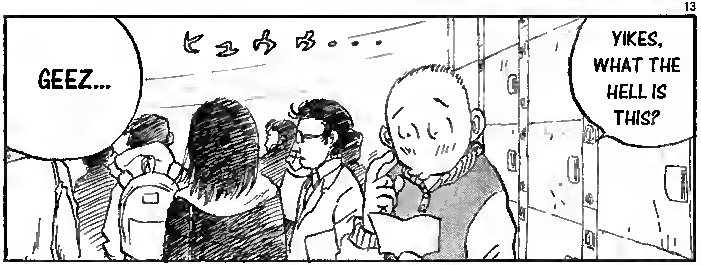


AND THE PAST ON THE OTHER SIDE OF THE LOCKER WAS RAPIDLY APPROACHING THAT FATEFUL DAY...
THE FINAL SOLUTION TO GLOBAL WARMING

I MUST STOP THIS!

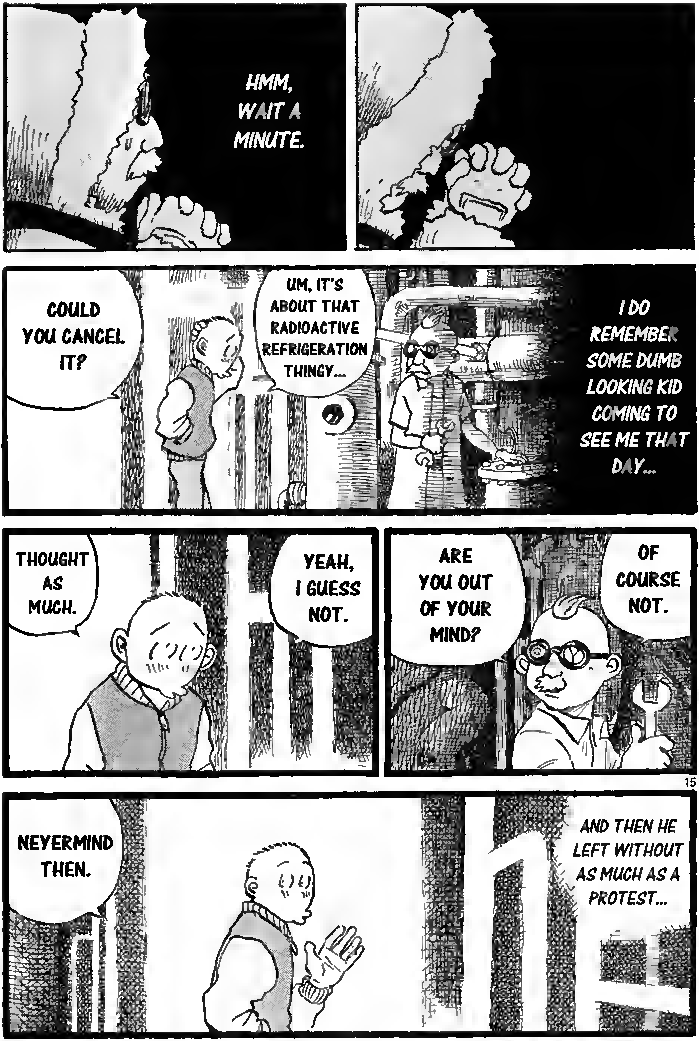


☆THIS IS AN IMPORTANT REQUEST
Tell Doctor Toshiba, the brilliant scientist who worked at the nuclear research Center, that the radioactive refrigeration reactor must be cancelled. You'll be paid extra handsomely for this!



ヒュゥゥ・・・
GEEZ...
YIKES, WHAT THE HELL IS THIS?

BUT PLEASE ALLOW ME TO PRAY TO YOU JUST THIS ONE TIME!
AS A SCIENTIST, MY INCLINATION IS TO DENY YOUR VERY EXISTENCE.
DEAR GOD,
GLOBAL WARMING RESEARCH CENTER
AMEN ...
IS THERE A DOCTOR TOSHIBA HERE?
EXCUSE ME.



HMM, WAIT A MINUTE.
COULD YOU CANCEL IT?
UM, IT'S ABOUT THAT RADIOACTIVE REFRIGERATION THINGY...
I DO REMEMBER SOME DUMB LOOKING KID COMING TO SEE ME THAT DAY...
THOUGHT AS MUCH.
YEAH, I GUESS NOT.
ARE YOU OUT OF YOUR MIND?
OF COURSE NOT.
NEVERMIND THEN.
AND THEN HE LEFT WITHOUT AS MUCH AS A PROTEST...

.....
.....
ヒョオオオ・・・
OH WELL, HE SEEMED LIKE A PRETTY DAFT KID ANYWAY.
